

APOLOGETICS WORKSHOP

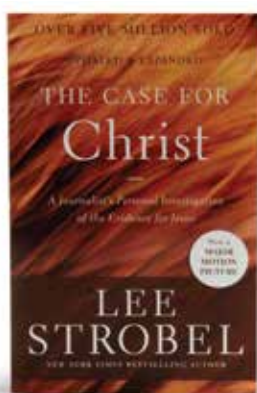

TUESDAY, SEPT. 12
10 a.m.-11 a.m. & 6 p.m.-7 p.m.

(Hours may vary by store; check with your local store.)

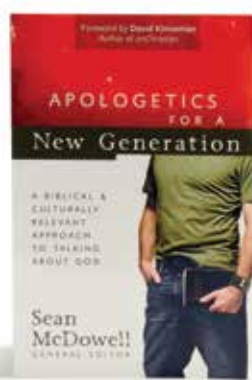

How do you articulate your beliefs to a nonbeliever or even someone doubting their own faith? That's a challenge facing all Christians, and it's one we're tackling with our next in-store workshop. Come to understand more about your faith, so you'll be better equipped to defend and share it.

FREE workbooks to the first 75 customers at each store.
